

ISHAN MALAWIGE

UNDERGRADUATE

ABOUT ME

As an ICT undergraduate, I am dedicated to honing my skills, embracing challenges, and contributing effectively to the ever-evolving field of technology. With a passion for innovation and a commitment to excellence, I strive to make meaningful contributions that drive positive change and shape the future of the industry.

EDUCATION

- **BT (Hons) in information and Communication Technology** 2023-present
General Sir John Kotelawala Defence University
- **G.C.E Advanced Level (Technology Stream)** 2021
President's Central College Embilipitiya

CERTIFICATION

- CCNA: Introduction to Networks
- CCNA: Switching, Routing, and Wireless Essentials
- CCNA: Enterprise Networking, Security, and Automation
- Cisco Certified Network Associate (CCNA) 200-301 .(Inprogress)
- Cisco Network Security (Following)
- Cisco Cyber Security (Following)

RECENT PROJECTS

- **Attendance Management System (2nd-Year Group Project)**
A biometric-based attendance management system developed for KDU, integrating PHP, JavaScript, Bootstrap, HTML, and CSS. The system supports CRUD operations, enhancing accuracy, security, and efficiency while reducing manual record-keeping efforts.

- **Salon Booking App (3rd-Year Ongoing Group Project)**
A Flutter and Dart-based mobile application for seamless salon appointment scheduling. Features include user authentication, real-time booking, service selection, and appointment history, with Firebase integration for authentication, database management, and push notifications. This project demonstrates expertise in cross-platform mobile development, UI/UX design, and team collaboration.

- **Safari Booking System (3rd-Year Ongoing Group Project)**
A MERN stack (MongoDB, Express.js, React.js, Node.js)-based web application designed for Safari Booking. Key features include user authentication, Package browsing, booking management. This project highlights skills in full-stack development, API integration, and collaborative teamwork.
